

November 15, 2018

Hello all,

In 2014 I came through Titonka on my bicycle while participating in RAGBRAI. I stopped at the fire station for water. T-shirts were being sold at a nearby table to support a swimming pool for the town, and I bought one. Recently I was purging some papers and came across a note that had been enclosed with the shirt. I decided to go online to see if I could find out whether the swimming pool had been built. I found the town website, read some

of the links, and came upon the Soup Luncheon being held for Team Rancee. I was reminded of how friendly everyone had been in town and how it seemed like a great place to live. And now I see how it comes together to support its neighbors. In this case it's much more than a pool, so I'd like to help again with the enclosed check, since there's no way I can attend the luncheon. I hope it makes the long road to recovery a little less taxing and offer my wishes for a full recovery.

All the best, Chuck Zarnwell

San Francisco CA.
